Arrival Time: No earlier than 3:00 pm ET on your first day

Departure Time: No later than 12:00 noon ET on your last day

Welcome to Yooperland! Please make yourself at home! We hope you have a wonderful vacation at the beach house! We ask that you abide by a few simple rules:

1. Superior Beach House is a family vacation cottage nestled among permanent residential homes. Please respect property and people on the land, on the beach, and in the water during your stay.
2. The beach house, car port, and sauna are available for your use, but the GARAGE shall remain locked and is OFF LIMITS to our guests.
3. Swimming and water activities are at your own risk. When winds are from the south, it is dangerous to use flotation devices in the lake water.
4. Bag your garbage in black plastic garbage bags and place in brown covered garbage can outside side door of beach house. Please leave no more than three (3) bags of garbage for our housekeeper.
5. Rules for Dogs - Pick up and dispose of dog feces, use a leash, and take your pet with you when you leave!
6. Do not flush feminine products into the toilet.
7. FIRES ARE PERMITTED ONLY ON THE BEACH ADJACENT TO THE WATER. You may use firewood stacked on the north side of the beach house along the path to the beach, but please leave wood for our next guests. NO FIRES ARE PERMITTED ANYWHERE ELSE ON THE PROPERTY.
8. Smoking is not permitted indoors in either the beach house or sauna.
9. To reduce sand in pipes, please shower in the sauna.

10. WATER ONLY CAN BE POURED DOWN THE KITCHEN AND BATHROOM DRAINS. To protect our septic system, please do not pour or dump grease, oil, vinegar, bleach, viscous liquids, or granular substances down the drains.
11. If you like beach walking, per Michigan ordinances you may walk on the beach at the water line. It's 4 miles west to the Chocolay River and 20 miles east to Shot Point!

Special rules for use of the Finnish Sauna:

1. To heat the sauna gas stove, turn the red knob. You should hear a "poof." Close the door to the sauna room and allow 1 hour for the sauna room to fully heat. When you are finished with your sauna, be sure to turn off the sauna stove by turning the red knob back to the off position.
2. If the stove does not light, it means the pilot flame is out. Be sure to shut off the gas by turning the red knob back to the off position and call Sue. Our plumbers will stop by to re-light the pilot.
3. Children must be supervised by an adult when using the sauna.

AT THE END OF YOUR STAY, PLEASE ATTEND TO THE FOLLOWING:

1. Leave all areas of the beach house and sauna, inside and out, clean and presentable for our next guests.
2. Place soiled linen and towels in the canvas hamper located in the sauna dressing room.
3. Deposit your key in the key drop box and then lock all doors from the inside. Pull doors shut when you leave.
4. Please bag your remaining garbage in black plastic bags and leave no more than 3 bags in brown garbage can.
